Dualgres es una empresa moderna y en continua evolución, cuyo objetivo es conseguir una mejora permanente de sus productos. Apoyando por el talento, la creatividad y la defensa del medio ambiente, Dualgres ha dado un nuevo paso en la utilización de procesos de fabricación más ecológicos, como la inyección de tinta, que nos permite una menor producción de residuos con la conseguida reducción en la contaminación.

Dualgres is a modern company in constant evolution, which aims to achieve continuous product improvement. Betting on talent, creativity and environmental protection, Dualgres has taken another step in the use of more environmentally friendly manufacturing processes such as inkjet printer, which enables us to lower production of waste with a consequent reduction in pollution.

Dualgres est une entreprise moderne en constante évolution, qui vise à réaliser une amélioration continue de ses produits. Pari sur le talent, la créativité et protection de l'environnement, Dualgres a franchi une autre étape dans l'utilisation de plus écologique des procédés tels que l'imprimante jet d'encre, ce qui nous permet de réduire la production de déchets avec une réduction conséquente de la pollution.

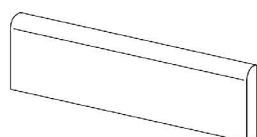

это современное, развивающееся предприятие, целью которого является постоянное совершенствование выпускаемой продукции. Мы делаем ставку на талант, креативность и природоохранные технологии и направляем средства на внедрение более экологических процессов производства, таких, как струйный метод нанесения рисунка, позволяющий сократить количество отходов и уменьшить загрязнение окружающей среды.
