Compromiso con nuestros clientes

En el año 2000 recibimos la certificación ISO 9001, que supuso un desarrollo considerable de nuestro sistema de gestión y, en especial, de la calidad de servicio. Gracias a nuestros clientes, a una sólida red comercial y a un plantilla dinámica hemos consolidado un producto que acompaña a miles de personas en sus casas, en sus baños, en sus cocinas... en lo más cotidiano de la vida.

A Commitment to its Clients

In the year 2000, Hispania Cerámica was certified as complying with the ISO 9001 standard. This represented a big step forward in its management system and, above all, in the standard of service the firm offers. Thanks to its clients, a solid sales network and a dynamic team of staff, the firm has created a range of products that are used by thousands of people in homes, bathrooms, kitchens and other every-day settings.

Para su correcta colocación se recomienda mezclar piezas de diferentes cajas ya que es un material destonificado y presenta variaciones de color.
For a correct placing it is advisable to mix pieces from different boxes. These series have shade and color variations in their own design.
