CATÁLOGO 2013

www.plazatiles.com

Desde 1962 comprometidos con la más alta calidad y apasionados por el detalle, Plaza lanza la Colección 2013-2014, un nuevo concepto de entender la cerámica. Para ello se han creado 6 colecciones combinando arte y tecnología gracias a la técnica de impresión digital. Todo esto con la agilidad logística que merece nuestro cliente, de Plaza a ti en 48 horas.

Since 1962 we have been committed to striving for the highest level of quality and attention to fine detail, Plaza is launching it's 2013 - 2014 collection, a new concept in understanding ceramics. To this end 6 collections have been created combining art and technology thanks to digital impression technology. All this with the logistical speed which our client deserves, from Plaza to you in 48 hours.

Dès 1962 nous sommes compromis avec la plus haute qualité et passionnés pour le détail, PLAZA lance la Collection 2013-2014, un nouveau concept de comprendre la céramique. Pour cela 6 collections ont été créées en combinant art et technologie grâce à la technique d'impression digitale.

Seit 1962 steht Plaza in der Verpflichtung für höchste Qualitätsansprüche. Jetzt präsentiert Plaza die Kollektion 2013-2014. Es handelt sich um 6 Kollektionen, die Kunst und Technologie kombiniert dank der digitalen Druck.

Flor de Vida

proyecto fundación Le Cadó
contra el cáncer de mama

AZULEJOS PLAZA una empresa de fuerte compromiso social.

El producto 'Flor de Vida', se inspira en el emblema de la "Fundación Le Cadó" contra el cáncer de mama y en los motivos orales que definen la personalidad de su proyecto 'Flor de Vida'. Con el desarrollo y la comercialización de este producto, AZULEJOS PLAZA pretende aportar una ayuda a la lucha contra el cáncer de mama, donando un porcentaje de sus ventas a la "Fundación Le Cadó", y que esta usará para fomentar la investigación sobre la enfermedad y los tratamientos de nueva generación, así como crear una infraestructura de ayuda emocional y aporte de información para las mujeres afectadas.

AZULEJOS PLAZA is a company with a strong commitment to social conscious.

The product 'Flor de Vida' is inspired in the emblem of the 'Le Cadó Foundation' and its work against breast cancer, based on the oral decorations that define the personality of its project 'Flor de Vida'. Through the development and sales generated by this product, AZULEJOS PLAZA wishes to offer its help in the fight against breast cancer, by donating a percentage of its sales to the 'Le Cadó Foundation'. This will be used to add further resources to current investigation into this illness and the very latest treatments available, as well as the creation of a body offering emotional support and greater levels of information for affected women.

AZULEJOS PLAZA, une entreprise de fort engagement social

Le produit s'inspire de l'emblème de la 'Fundación Le Cadó' contre le cancer de la mamelle et des motifs oraux qui définissent la personnalité de son projet 'Flor de vida'. Avec le développement et la commercialisation de ce produit, AZULEJOS PLAZA essaie d'apporter une aide à la lutte contre le cancer de la mamelle, en faisant don d'un pourcentage de ses ventes à la 'Fondation Le Cadó', qui utilisera les fonds pour promouvoir la recherche sur la maladie et les traitements de nouvelle génération et pour créer une infrastructure d'aide émotionnelle et d'apport d'information pour les femmes affectées.

AZULEJOS PLAZA, ein Unternehmen mit einer hohen sozialen Verpflichtung.

Das Produkt 'Flor de Vida' inspiriert durch die Stiftung 'Fundación Le Cadó', eine Stiftung zur Bekämpfung des Brustkrebs, mit der sich das Projekt 'Flor de Vida' bezieht. Durch den Verkauf dieses Produkts, möchte Azulejos Plaza einen Teil des Gewinnes an die Stiftung 'Fundación Le Cadó' spenden, die zu weiteren Forschungen der Krankheit und zu besseren Informationen der betroffenen Patientinnen dienen sollen.

**“Цветок жизни” AZULEJOS PLAZA
- проект с высоким уровнем
социальных обязательств**

“Цветок жизни” это продукт, на создание которого вдохновила эмблема Фонда борьбы с раком груди и цветочные мотивы, что подчёркивает его индивидуальность. Разработка и дистрибуция этого продукта компанией AZULEJOS PLAZA, призвана оказать поддержку в борьбе с раком груди, путём пожертвования процента от продаж в Фонд борьбы с раком груди, для содействия исследованиям болезни и изобретения лекарств нового поколения, и таким образом оказать моральную помощь и информационную поддержку женщинам живущим с этой болезнью.

SP CONSEJOS DE COLOCACIÓN

- Se recomienda colocar los azulejos de formatos rectangulares trabados a un tercio
- Los azulejos colocados en combinación con nuestros mosaicos, deben mantener la misma junta que los mosaicos
- Todos los azulejos, sin excepción, deben ser colocados con junta para garantizar las propiedades del producto. Se recomienda la colocación con junta mínima de 2 mm.
- Se recomienda mezclar el material de varias cajas a la hora de su colocación para mantener el aspecto general del producto
- Los modelos con destonificación controlada deben colocarse aleatoriamente
- Verificar antes de la puesta en obra:
 - La calidad impresa en la caja se corresponde con la del material solicitado
 - Todas las cajas pertenecen al mismo tono y calibre
 - La ausencia de defectos visibles
 - Planificación de todo tipo de juntas: estructurales, perimetrales, de dilatación y de colocación

No se admitirán reclamaciones de problemas derivados del incumplimiento de estas premisas cuando el material ya esté colocado.

Azulejos Plaza S.A. se reserva el derecho de anular y modificar total o parcialmente, cualquiera de los modelos, colores, formatos, referencias, grupos de precio y especificaciones técnicas contenidas en este catálogo. Todos los datos de este catálogo están sujetos a errores tipográficos de los cuales Azulejos Plaza S.A. no se hace responsable.

EN FIXING INSTRUCTIONS

- It is recommended to brick bond rectangular format tiles at one third
- Tiles fixed in combination with our mosaics must maintain the same grout width as that of the mosaics
- All tiles, without exception, should be fixed with a grout joint in order to ensure a good installation. It is recommended fixing with a minimum grout width of 2 mm.
- It is recommended that material should be mixed from several boxes at the time of installation in order to enhance the overall appearance of the product
- Those models with a random tonality should be fixed randomly
- Verify the following points prior to fixing :
 - That the quality printed on the box corresponds with that of the material requested
 - All the boxes belong to the same tone and caliber
 - The absence of visible blemishes
 - Planning should be made for all joints including : structural and perimeter joints, to cover both expansion and fixing

Complaints will not be admitted for problems resulting from the non-compliance of these guidelines once the material has already been fixed.

Azulejos Plaza S.A. reserves the right to cancel or modify, either completely or partly, any of the models, colours, sizes, references, price groups and technical specifications contained in this catalogue. All of the details within this catalogue are subject to printing errors for which Azulejos Plaza S.A. is not responsible.

FR CONSEILS DE POSE

- Nous recommandons de poser les carrelages de forme rectangulaire au tiers
- Les carrelages combinant avec nos mosaïques doivent être posés avec un espace de joint identique à ceux des mosaïques
- Tous les carrelages, sans exception, doivent être posés avec un joint afin de garantir les propriétés du produit. Nous recommandons une pose avec un joint minimum de 2 mm.
- Nous recommandons de mélanger les boîtes de matériel au moment de la pose afin de maintenir l'aspect général du produit
- Les produits dénuancés doivent être posés de manière aléatoire
- Vérifier avant la pose :
 - Que les indications figurant sur la boîte correspondent à celles du produit demandé
 - Que toutes les boîtes sont du même ton et calibre
 - Qu'il n'existe pas de défauts visibles
 - Planification des types de joint : structuraux, périmétraux, joint de dilatation et joint de pose

Aucune réclamation ne sera acceptée une fois le matériel posé, si les précédentes recommandations ne sont pas appliquées.

Azulejos Plaza S.A. se réserve le droit d'annuler et modifier totalement ou partiellement chacun des modèles, couleurs, formats, références, groupes de prix et caractéristiques techniques contenus dans ce catalogue. Toutes les indications du catalogue sont sujettes à erreurs typographiques dont Azulejos Plaza S.A. ne se fait pas responsable.

GE VERLEGEANLEITUNG

- Rechteckige Formate sollten höchstens im Drittelverband verlegt werden
- Fliesen, die mit unseren Mosaiken verlegt werden, sollten die gleiche Fugenbreite aufweisen
- Alle Fliesen (ohne Ausnahme) müssen mit einer Minimalfuge von 2 mm verlegt werden
- Generell ist es ratsam, während der Verlegung Fliesen mehrerer Verpackungen zu mischen, um eine Natürlichkeit in der Optik des Belags zu erzielen
- Fliesen mit starkem Farbspiel sollten paketweise verlegt werden. Hier nicht mehrere Verpackungen mischen, da das Mischverhältnis im Karton bereits vorhanden ist
- Bitte vor der Verlegung beachten:
 - Paketbezeichnung auf Richtigkeit bezüglich bestellter Ware prüfen.
 - Alle Pakete sollten sowohl in Tonalität als auch in Kaliber identisch sein..
 - Auf sichtbare Mängel prüfen
 - Planung aller Fugen: Strukturfugen, Randfugen, Dehnungsfugen, Verlegefugen

Reklamationen, die auf Nichteinhaltung o. g. Anweisungen zurückzuführen sind, werden nicht anerkannt. Verlegtes Material kann nicht reklamiert werden.

Azulejos Plaza S.A. behält sich das Recht vor, Änderungen, Annullierungen, sämtlicher Modelle in Hinblick auf Formate, Farben, Bezeichnungen, Preisgruppen oder technischer Eigenschaften vorzunehmen. The background of the entire page is a complex, abstract pattern of thin, overlapping lines. The lines are primarily light blue and white, set against a solid black background. The lines flow from the top right towards the bottom left, creating a sense of movement and depth. Some lines are straight, while others are curved, and they often cross each other, forming a dense, web-like structure.
