

STONE/STUDIO

Keraben

STONE/STUDIO

Stone Studio es un recorrido por las diferentes piedras naturales que aportan diseño al mundo del habitat. Keraben presenta un estudio de la esencia del material pétreo, incorporando las últimas tecnologías en cerámica, añadiendo valor al producto, potenciando su naturalidad y sus prestaciones técnicas.

Stone Studio is a journey through the various natural stones that provide design to the habitat world. Keraben presents a study of the essence of stony material, incorporating the latest technologies in ceramics, adding value to the product, and empowering its naturalness and its technical features.

Variedad gráfica, máxima naturalidad.
 Más de 19 piezas diferentes en tan solo 6m².
 Acabado natural y antislip, generando
 continuidad de diseño entre interior y exterior.
 Acabado lappato que potencia la luz y el brillo.
 Piezas especiales para adaptarse a
 todos los espacios.

Graphic variation, maximum naturalness.
 More than 19 different pieces in only 6m².
 Natural and antislip finishes, generating a
 continuity in design between the interior
 and exterior. Lappato finish that
 boosts the effects of light and shine.
 Special decorative pieces that adapt to all spaces.
