MONOPOLE

Monopole Ceramics was founded in 2011 with the challenge "to be different". After the years due to careful control of the products quality and being sensitive to the latest trends and innovations on the market we can say that we are achieving it.

Monopole has an ascendancy in the ceramic world. This is possible thanks to our 300 days per year, which experience the fusion of innovation, design and quality. In Monopole's portfolio.

Our products are unique, different, useful, elegant, as well as being modern, innovative, classic and ecological. Our collections have been created with the purpose of making life more comfortable. Thanks to this we export our products to more than 70 countries.

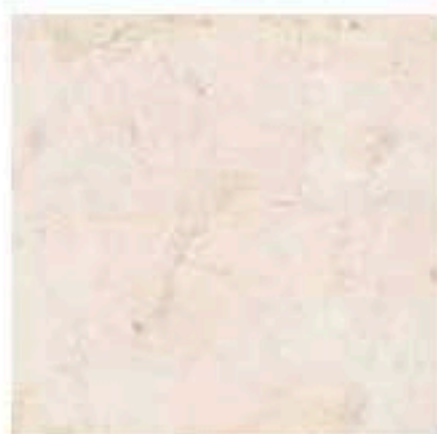

This achievement makes us really proud of our products and work of our staff.
