Dalla raffinata ricerca italiana nascono collezioni progettate per l'abitare contemporaneo. Superfici e motivi decorativi pensati per gli spazi domestici, in linea con le attuali tendenze dell'interior design. Colori, trame e textures prendono vita grazie alla abilit e alla professionalit dei tecnici Zeus e alla qualit delle materie prime sapientemente lavorate.

The refined italian research creates collections designed for the contemporary living. Surfaces and decorative designs destined to domestic spaces, in line with current tendencies of interior design. Colours, patterns and textures take life thanks to the ability and professionalism of Zeus technicians and to the quality of wisely treated raw materials. Polishing on unfired pieces guarantees a perfect linearity of the surface.

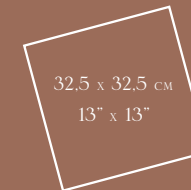

Исследования в Италии с использованием усовершенствованных технологий позволяют создавать коллекции, соответствующие современному образу жизни. Дизайн поверхности плитки соответствует требованиям времени и реализован для использования в жилых помещениях. Цвет, модель и текстура задуманы и разработаны благодаря способностям и профессионализму технического персонала ЗАО «Зевс Керамика» и качеству мудро используемых природных материалов.
